

2021 TCS Lodging Policy

Colorado Sparkler & Fireworks is a **Stay to Play Event**. To be bracketed in this Triple Crown event your team must fit into one of the following three categories:

1. Book rooms with a Triple Crown Sports lodging partner inside the TCS Sparkler group block. Minimum team requirement is 40 total room nights per team (ie: 8 rooms for 5 nights).
 2. Alternative Lodging Requests/ BUYOUT- A lodging buyout may be made available as blocks approach capacity and we open the overflow block. Teams seeking alternative lodging at that time may contact the tournament lodging director at kriss@triplecrownsports.com for details.
 3. Local Teams from the area (within 100 miles) must contact Tournament Director to receive a WAIVER.

Our Lodging Program requires all out-of-town teams to book their rooms with a TCS Lodging Partner. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure excellent lodging rates for all participants and to ensure sufficient rooms for all attending teams.

To book your rooms you must contact the hotels directly from info listed on the TCS website. Reservations made in any other fashion will not be recognized as in compliance. Some partner hotels require that a team provide a rooming list and agree to sign a booking contract.

Rooming lists need to be entered via the TCS website “Report Lodging” tab at least 30 days prior to event start date, complete with confirmation numbers, name of property, number of room nights and check-in/check-out dates. All reservations will be cross-referenced with the hotel for accuracy.

*****Any reservations booked through a third-party provider (i.e. Hotels.com, Expedia, Hotwire, Hotel Planners) or using reward points or booked outside of the TCS room block will not fulfill your requirement and require the lodging surcharge to be paid or your team will NOT be scheduled into the event. *****
