

2024 TCS Lodging Policy

The Colorado 4th of July is a **Stay to Play Event**. Triple Crown Sports (TCS) works with a wide variety of lodging partners in our tournament locations to secure team friendly properties with competitive rates.

To be scheduled to play in this event your team must fit into one of the following three categories (by **June 6**):

1. Teams are **REQUIRED** to book lodging using your custom team booking link to our EventConnect lodging platform. This will automate and simplify booking and reporting your minimum requirement is **40** total room nights per team. You do **NOT** need to report your rooms on the TCS website.
 2. Local or Colorado Teams within **80** miles will be exempt. Our online lodging software uses zip codes to automatically mark teams local so no waivers needed. You will still get a lodging email with a link so you can access our great rates if needed.
 3. Out-of-town teams that wish to stay outside of the TCS lodging options, such as campgrounds, rv parks, VRBO, etc. can apply (with proof of alternate lodging) to pay the Lodging Surcharge of **\$1850** on the Sparkler event website.

Upon registering and paying for this event, each coach will receive a welcome email from EventConnect with your team custom booking link. This link will give you and your families easy 24/7 access to our partner hotels. You cannot book without this dedicated link, you can only view availability, and rates at any time.

It is easy to block, share and book! If you choose to all stay at the same hotel you, your manager, or a parent can easily **HOLD** a block of rooms for 10 days where each family can **BOOK** into. Individual families can also choose to stay at a different hotel on this list that best meets their needs, and their room nights will automatically be counted under your team.

***Any reservations booked through a third party provider (i.e. directly with the hotel, Hotels.com, Expedia, Hotwire, Hotel Planners) or using reward points or booked outside of the TCS room block will **NOT** fulfill your requirement and require the lodging surcharge to be paid or your team will **NOT** be scheduled into the event. ***

If you have any questions along the way please contact our lodging manager, kriss@triplecrownsports.com or if you have technical difficulties or need your link again simply reach out to support@eventconnect.io
